

First Aid Adventurers 4 day Camp (Ages 7 to 12 years)

From: \$325.00

Join us for an exhilarating 4 days of adventure and learning at **First Aid Adventurers!** Designed for **young explorers aged 7 to 12**, this camp offers an exciting journey into the world of first aid and emergency preparedness.

Campers will dive into **essential first aid topics** including CPR, handling emergencies, common medical emergencies, poisoning, heat stroke, hypothermia, broken bones and sprains, head injuries, and wound care. But this isn't your typical classroom setting – our emphasis is on **hands-on, scenario-based learning and practice.**

Campers will **learn by doing** as they engage in realistic scenarios that simulate various emergency situations. From **assessing a mock injury to administering CPR**, our campers will gain confidence and valuable skills that could potentially save lives.

At First Aid Adventurers, **safety is our top priority.** We believe that being prepared is key, and our campers will leave equipped with the knowledge and skills to handle emergencies with calm and confidence.

Want to add a **FUN DAY** to this Camp for just \$25 and make it a 5 day Camp? When checking out, simply select **FUN DAY and add to your cart.** (Only available for campers that have chosen the 4 day Camp.)
